# Clear Design Launches KOLAB Lounge Seating

Press Release // // February 1, 2023

San Antonio, TX | February 1, 2023: Clear Design announced today the release of its line of modular lounge seating, KOLAB. This new addition to its 5-day FAST Program offers a sleek two-tone seating option available in four modular pieces: single seat, double seat, corner, and ottoman, introducing unlimited configurations to create flexible waiting rooms, lounges, collaborative areas, and more. The range of possibilities allows end users to easily reconfigure KOLAB to reinvent how the product is used in their space.

"The demand for collaborative and breakout seating areas is ever increasing, hence the name of the product. We wanted to create a high-quality solution that promotes collaboration and is also effective in other applications without an extended lead time," says Founding Partner Luke Warrilow. "KOLAB experienced a rigorous testing process to ensure the construction, finishes, and function meet our high standards. This quality lounge seating on a 5-day lead time is unheard of in the industry and we are looking forward to being able to supply such a versatile solution to designers and our dealer partners."

Clear Design partnered with Spradling to incorporate their durable, easy-to-clean EcoSense vinyl, contributing to the longevity and certification of the product as BIFMA Compliant. KOLAB has anchoring feet to keep configurations in place and is available in two FAST color schemes: Graystone and Sandstorm. Lastly, dealers and designers can choose to integrate power with the optional inset power units in its 10-day Quick Ship Program.

To learn more about KOLAB or the other lines of workstations, conference and collaboration furniture, training tables, soft seating, and more for the entire workspace, visit <https://mycleardesign.com/>.

## About Clear Design

Office furniture manufacturer Clear Design first began in Sheffield, England in 1983. The US operations began in 2003 and have grown every year due to its high-quality, creative office furniture solutions and exceptional Customer Experience Team. With quick lead times, free project quotes, and renderings within 48 hours, Clear Design has built a reputation for providing reliable solutions quickly, and always going above and beyond for its customers.
