NEED A SPECIFIC LOOK? TRY CUSTOM MATERIALS!

25+ Day Lead Time

Make a statement with a specialty laminate, or customize any project with your own fabric.

Custom Materials include COM (customer's own materials), all specialty laminates and finishes from Formica (180fx, Infiniti, ColorCore, and Writable Surface) and Wilsonart (Y-code, Mirage, Glaze, and Aligned Oak), as well as some specialty fabrics and wood stains.

Pricing and lead times will vary case by case. Please contact us for assistance, or visit mycleardesign.com/finishes/custom-materials for more information.
