DIVIDERS

Dividers increase privacy, define boundaries, add pops of color, and provide additional functionality to your workstation. We have a variety of solutions. Dry-Erase Glass allows you to write notes directly onto your divider and is available in 2 heights. Tackable Fabric allows you to pin up documents for quick reference and can be reupholstered in custom fabrics. Acoustic PET is highly cost effective and helps with sound absorption. Each divider type is available in a 3-day lead time.

DIVIDERS FABRIC
