THREE60
conference + collaboration tables

THREE60 Conference and Collaboration Tables were created with the modern workplace in mind. The Conference series is scalable to fit a wide variety of room sizes. Knife-edge surfaces house embedded power-data-video modules that feed into the wire-management cabinet, below the surface. The Collaboration series features a knife-edge Parsons table design. Premium quality, design, and functionality make THREE60 your ideal solution for conference, meeting, and collaboration spaces.

Grommets
Surfaces include pre-installed, rectangular grommets in silver, where applicable.
