Blade™

Flexible Benching System

Blade Open Plan Workstations are redefining corporate culture one desk at a time. Our design team created the Blade concept with your growth in mind. Because of Blade's sleek, minimalistic design, it takes up less space than traditional systems. Instead of purchasing more real estate, Blade is designed to adapt to your space. With endless configurations available, we represent the greatest return on investment possible. Blade exhibits the perfect blend of style and functionality.

Boost

Height-Adjustable Benching System

Boost Height-Adjustable Workstations allow you to take control of your health and productivity through improved ergonomics. Sitting for extended periods can cause numerous problems, but alternating between sitting and standing keeps your body from becoming sedentary. Featuring a 3-stage base, digital handset with 4 custom presets, and dual/triple motor, the Boost Height-Adjustable Frame is smooth, fast, and responsive. Enjoy higher employee morale and enhanced employee retention rates as a result.

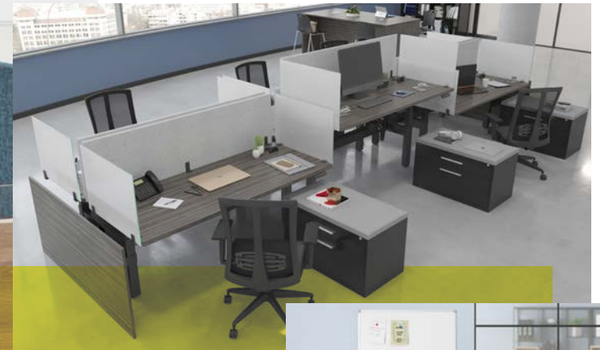
Boost Pro

Height-Adjustable Benching System



Boost Pro Height-Adjustable Benching provides an outstanding solution that promotes safety while keeping aesthetics and flexibility in mind. With divider options and integrated power and cable management, the streamlined design provides a clean look and convenient features. The expandable chassis allows you to change widths and add workstations easily and cost efficiently. Fewer parts make installation and power deployment simpler than ever. Boost Pro is resizable, reconfigurable, and reliable.

Delta

Panel System

D

Delta effortlessly balances privacy with collaboration through sleek, sophisticated, and thoughtful design. Laminate panels topped with writable frosted glass create a five-foot-high partition that provides focus while maintaining a sense of openness. Available for height-adjustable or fixed-height benching in straight or L-shaped configurations. Delta adapts to your ever changing workflows and needs.

Three60

Conference + Collaboration Tables

Three60 Conference and Collaboration Tables were created with the modern workplace in mind. The Conference series is scalable to fit a wide variety of room sizes. Knife-Edge surfaces house embedded power-data-video modules that feed into the wire-management cabinet, below the surface. The Collaboration series features a knife-Edge Parsons table design. Premium quality, design, and functionality make Three60 your ideal solution for conference, meeting, and collaboration spaces.

Optima

Training Tables

Optima Training Tables are built to optimize your work environment by allowing for quick setup and reconfiguration. These table frames feature a "flip and nest" function, which makes mobility and storage convenient and space saving. Fold and store extra tables to the side for a small team meeting, and then unfold and reconfigure them to accommodate everyone at the next full-staff meeting or special event! Optima Training Tables also come with optional power solutions so you can stay plugged in.

Tables

These occasional tables can be used in a wide variety of applications, ranging from meeting and collaborative spaces to break areas and private offices. They are available in multiple finish combinations, surfaces sizes, leg styles and heights to complement any environment. Standing-height tables are perfect for keeping quick team huddles on track. Use our mobile post legs to allow tables to be easily moved and reconfigured, or add our angled post legs for a more unique look.

Cove

Office Pods

Cove maximizes the square footage of any office with sound-proof, high-end flexible workspaces that can be installed nearly anywhere in the office. Each size pod provides team members with a comfortable, enclosed, ventilated, and power-integrated workspace for private phone calls, one-on-one meetings, or team brainstorm sessions. The construction includes multiple layers of acoustic panels to keep all conversations private and create a distraction-free work environment for the rest of the office.
