training tables

OPTIMA Training Tables are built to optimize your work environment by allowing for quick setup and reconfiguration. These table frames feature a "flip and nest" function, which makes mobility and storage convenient and space saving. Fold and store extra tables to the side for a small team meeting, and then unfold and reconfigure them to accommodate everyone at the next full-staff meeting or special event! OPTIMA Training Tables also come with optional power solutions so you can stay plugged in.
