Clear Design Introduces KOZE Collection

Texas-based, family-owned office furniture manufacturer Clear Design is proud to announce the launch of its new soft seating line, KOZE. Named for the cozy ambiance it evokes, KOZE creates welcoming spaces throughout the office for both employees and guests. With its blend of rich textiles and warm wood features, the collection seamlessly combines beauty and durability for commercial use and can be ready for shipment in 3 business days.

With 12 modular pieces to mix and match, KOZE is completely customizable and

reconfigurable. From breakout areas and lobbies to waiting rooms and quiet spaces, this sleek line can be uniquely arranged for every space (and easily rearranged as needed).

Details:

- Solid wood legs in three finish stains
- High-Resiliency polyurethane foam core
- Solid hardwood reinforced frame
- Removable seat cushions with zip-off covers
- Several fabric/finish options available in the FAST Program (3-day lead time)
